BATCH REGISTRATION LOGGING IN FOR FIRST TIME

1. Navigate to: http://skillstosucceedlearning.accenture.com/

2. Carefully enter the Username and Password provided by your instructor. **They will both be the same the first time a person logs on.**

3. Click the **LOGIN** button.

The first time you log on, you need to change your password and provide some additional information to retrieve it in the future, if needed.

4. Your User Name will already be filled in for you.

5. Enter your Old Password. (This is your username.)

6. Enter your New Password, being sure it meets the standards listed at the top of the screen, and confirm it.

7. Enter the word verification. In this example, the word is shamer.

8. Enter your email and repeat it.

9. Select and answer your two security questions. This will allow you to retrieve your password if you forget it.

10. When you have completed all the information, press the Send button.
